

PEEWAZ

COMPANY PROFILE

PROFILE

Overview

01

Peewaz is a provider of Engineering Services and Solutions, Industrial Electrical Equipment, Oil Drilling and Production Supplies, Industrial Machinery, Electronic Systems, Specialty items, spare parts, as well as Manufacturing and Operating consumables to all types of extractive, production and construction industries.

Our wide reach and strategic partnerships enable prompt and accurate service delivery. Our responsive support and qualified sourcing ensure your project stays on track.

Incorporated in 2012, we are led by a well-seasoned, highly experienced, and enthusiastic team with extensive expertise across the oil and gas, construction, and manufacturing industries.

To be a leading Engineering Consultancy company, consistently delivering projects that meet International standards and enable Economic growth through infrastructure and energy development.

OUR
VISION

CORE VALUES

- Team Work
- Value Creation
- Accountability
- Integrity

To provide cost-effective business solutions to our clients globally.

OUR
MISSION

What We Do

PROCUREMENT

PROJECTS, ENGINEERING & CONSTRUCTION

ASSESSMENT & COMPETENCY DEVELOPMENT

COMMISSIONING & STARTUP

OPERATIONS, MAINTENANCE & ASSET INTEGRITY

We Provide Comprehensive Solutions for

- OIL AND GAS EXPLORATION COMPANIES
- CONSTRUCTION
- CHEMICAL MANUFACTURING
- REFINERIES
- WATER TREATMENT
- ELECTRICAL CONSTRUCTION
- POWER GENERATION
- FOOD AND BEVERAGE PRODUCTION

Advanced and Conventional Non-Destructive Testing

- PHASED ARRAY ULTRASONIC TESTING (PAUT)
- GUIDED WAVE TESTING (GWT)
- AUTOMATED ULTRASONIC TESTING (AUT)
- EDDY CURRENT TESTING (ECCT)
- INFRARED THERMOGRAPHY (IT)
- RADIOGRAPHIC TESTING (RT)
- ULTRASONIC TESTING (UT)
- MAGNETIC PARTICLE INSPECTION (MPI)
- LIQUID PENETRANT TESTING (PT)
- POSITIVE MATERIAL IDENTIFICATION (PMI)
- VISUAL TESTING (VT)

Robotics and Drone Inspections:

- REMOTE VISUAL INSPECTION (RVI)
- FOREIGN OBJECT SEARCH & RETRIEVAL (FOSAR)
- INTERNAL UNMANNED AERIAL SYSTEMS (IUAS) INSPECTIONS
- EXTERNAL UNMANNED AERIAL SYSTEMS (EUAS) INSPECTIONS

Product Sampling

Our strategic partnerships enable us to supply a wide range of electrical, instrumentation, oilfield, safety, and industrial products.

Listed below is a selection of the materials and equipment we supply.

Industrial Supplies

- Adhesives, sealants, and tapes
- Batteries
- Bearings
- Chainsaws
- Cordless power tools
- Drill bits
- Electrical tools
- Fans and blowers
- Fasteners, clamps, and straps
- Files and utility knives
- Filters and regulators
- Food-service equipment
- Hammer drills
- Hand tools
- Heating, ventilation, and air conditioning (HVAC)
- Hoses and tubing fittings
- Industrial laundry equipment
- Ladders and climbing supplies
- Measuring equipment
- Motors
- Pipes and fittings
- Pneumatic tools
- Portable air compressors
- Refrigeration equipment and supplies
- Routers and sanders
- Test instruments and gauges
- Tool chests and truck boxes
- Torque wrenches
- Vehicle spare parts

-
- A collection of various safety and rescue equipment. At the top left is an orange inflatable boat with a black base and a yellow ladder. To its right are two life jackets, one red and one blue. Below these are two fire extinguishers, one red and one white, both labeled 'POWDER'. Next to them are two coiled hoses, one yellow and one red. In the center is a yellow fire helmet with a black visor. To the left of the helmet is a pair of yellow and black gloves. To the right is a black and green communication device. A yellow caution tape with the text 'FIRE LINE DO NOT CROSS' is draped across the middle. At the bottom left is a yellow high-visibility protective suit with reflective silver stripes. To its right is a blue protective suit. At the bottom right is a red lifebuoy with white stripes and the text 'INM' and 'DO' on it, with a coiled rope attached.

OILFIELD PRODUCT LIST

- Gauges
- Gaskets
- Guides
- Heads: casing and tubing
- Hoses
- Insulation kits
- Joints: pup and swivel
- Motors
- Nipples
- Pipes
- Plugs
- Pumps: centrifugal and positive displacement
- Rags: wiping
- Rods: polish, slush pump, and sucker
- Ropes: wire
- Tanks
- Thermometers
- Valves: ball, butterfly, check, gate, globe
- Actuators
- Belts
- Binders
- Bolts
- Brushes
- Casing and tubing
- Chokes
- Clamps: hose, pipe, and rod
- Clips: wipe rope
- Couplings: casing and sleeve
- Cups: pipeline scraper and swab
- Desanders and desilters
- Drilling equipment
- Elevators: sucker rods
- Fibreglass pipes
- Filters
- Fittings
- Flanges
- Knife gate, mud, needle, relief, stainless

PORTABLE POWER

- Diesel electric generators
 - Open units for indoor/protected installation
 - Outdoor units in sound attenuated acoustic enclosures
- Outdoor units in sound attenuated acoustic enclosures
- Paralleling/synchronizing switchgear and controls
- Automatic transfer switches
- Fuel day tanks and fuel forwarding skids
- Factory authorized installation services

ELECTRICAL SUPPLIES

- Airport lighting
- Audibles and alarms
- Aviation and navigation
- Ballasts
- Cable glands
- Cable markers
- Cable, wire and cords
- Cable trays
- Conduit, raceway and fittings
- Connectors
- Distributions
- Enclosures
- Fuses
- Hazardous locations
- Horns and beacons
- Intercom systems
- Instrumentation and controls
- Lamps
- Lighting fixtures
- Marine equipment
- Marking systems
- Motors
- Terminal blocks
- Tools and instruments
- Transformers
- Wiring accessories
- Heat tracing
- Grounding equipment/lighting protection
