POLICY AND STRATEGIC OBJECTIVES

1. Policy Statement

Peewaz Nigeria Limited is committed to maximizing Nigerian Content in the procurement and supply of goods, materials, equipment and services to the Nigerian oil and gas industry.

We shall prioritize qualified Nigerian companies, personnel, manufacturers, suppliers and service providers, while maintaining the required standards of quality, safety, technical performance, cost and timely delivery.

Our activities shall comply with the Nigerian Oil and Gas Industry Content Development (NOGICD) Act 2010, applicable NCDMB requirements, client requirements and relevant Nigerian regulations.

2. Our Commitments

We shall give first consideration to Nigerian suppliers and locally manufactured products where available and technically suitable.

Maximize local procurement and progressively reduce dependence on imported goods where suitable Nigerian alternatives exist.

Maintain and develop a database of competent Nigerian suppliers and manufacturers.

Provide opportunities for indigenous companies to participate in our procurement and supply chain.

Prioritize Nigerian personnel and support their professional and technical development.

Promote the use of Nigerian-owned logistics, transportation, warehousing and other support services.

Encourage technology and knowledge transfer through partnerships, training and supplier development.

Support qualified businesses and personnel within host communities where applicable.

Ensure our suppliers and subcontractors comply with applicable Nigerian Content, HSE, quality and ethical requirements.

3. Nigerian Content Monitoring

We shall maintain appropriate records to monitor our Nigerian Content performance, including:

Local procurement expenditure.
